MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Policy Letter # 16: Go-to-War Filters for 5,000 gallon Tankers and HEMTT Fuelers

1. Each Support Battalion will maintain a "go-to-war" set of Filters, go-no go fuses, and a gasket for each 5,000 gallon tanker, and filters and a gasket for each HEMTT fueler. These items will be stored such that they are not subject to damage in storage, and will not be used/consumed in normal peacetime operations.
2. The following list of parts, although not complete for an overhaul of the filter separator, are the minimum required to restore filter effectiveness for each type of tanker:

5,000 Gallon fueler	NSN	UI	COST	#PER TANKER	TOTAL COST
Filter Element	4330-00-983-0998	EA	10.95	18	197.10
Go-no go Fuses	4330-00-872-1779	EA	11.39	6	68.34
